PROFESSIONAL EXPERIENCE

Nancy Chambers Underwood Endowment Fund

Tech Equity Analyst

Dallas, TX

Jan 2026 – Present

- Co-managing \$9M SMU graduate endowment via Bloomberg and FactSet covering the Information Technology sector
- Presenting live investment recommendations to Investment Committee, driving \$550K in technology sector allocations
- Analyzing portfolio performance, attribution, and factor exposure using Bloomberg (PORT, FA, RV) and FactSet
- Evaluating undergraduate equity research reports on valuation rigor, thesis clarity, and financial modeling accuracy

KPMG LLP

Asset Management Tax Intern

Dallas, TX

Jan 2025 – Apr 2025

- Supported federal/state tax compliance for RE/PE/HF clients, preparing 40+ partnership returns with high accuracy
- Modeled tax workpapers in Excel including partner allocations, book-to-tax adjustments, K-1 schedules, and more
- Partnered with client teams to verify data, resolve discrepancies, and deliver accurate work products (65+ hours/week)
- Prepared audit-ready tax investor packages with supporting notes and calculations for management review

Baker Tilly US LLP

International Tax Intern

Frisco, TX

Jun 2023 – Aug 2024

- Delivered 30+ federal tax returns, ensuring cross-border compliance for multinational clients across 15+ jurisdictions
- Built an Excel VBA FX automation pulling live OANDA spot rates, reducing manual conversion time 80%
- Reconciled cross-border intercompany transactions and reviewed client trial balances for return preparation

NexBank

Internal Audit Intern

Dallas, TX

Jan 2023 – May 2023

- Executed 12+ audit and control tests across technology and operations, adhering to SOX/FDICIA regulatory guidelines
- Led bank-wide Vendor Management workflow redesign in collaboration with C-suite, cutting review time by 25%
- Supported ad-hoc enterprise risk projects, mapping workflows and identifying control gaps across business units
- Prepared Executive decks summarizing audit findings, remediation progress, and risk assessments for senior leadership

PROJECT EXPERIENCE

Prediction Markets Aggregator and Arbitrage Bot

2026

- Architecting WebSocket dashboard for Kalshi/Polymarket arbitrage detection across 500+ active markets
- Built a matching engine via Claude Code for event pairing and pricing discrepancy detection

bolurian.com | Personal Portfolio Site

2025

- Designed and shipped a personal portfolio site highlighting independent finance and engineering projects
- Built a live Black-Scholes options analytics suite with full Greeks and IV solver, interactive 3D volatility surface and a multi-leg strategy building, leveraging Chicago Board of Options (CBOE) and Polygon data pipelines
